Type: Microsoft Word Document Author: Peter Trott Title: Community Newsletter from your Liberal Democrat Borough Councillors - 1.11 MB Computer

The object of this exercise is to take a Microsoft Word document and to produce a PDF with a much smaller file size. We are starting with a four page document from Fareham East Lib Dems and the size is 1.144 MB. We will end up with a PDF that is just as readable but only slightly over a tenth of the size.

When you next open a Word document, you will have the option of printing to a new 'Printer' named PDFCreator. So I have opened the Fareham East document and chosen PDFCreator to print to.

So if you have moved into the area recently, are turning 18 or just have not yet registered, we strongly advise you to register to vote with Fareham Borough Council. To register as a voter in Fareham you will need to complete a Voter Registration Form available from Election Services at FBC (Tel:01329 824587, e-mail electionservices@fareham.gov.uk) You will then be added to the Register the following month. You can apply for postal and proxy votes if you cannot be sure you will be able to vote in person at any election.

Tesco's at Quay Street ? In our Spring newsletter we told you that Tesco's have submitted a planning application to build a supermarket on the former Foundry site which is opposite the Police Station in Quay Street. This has not been progressed pending on...

There is no colour in the Fareham East document and I will get the smallest file size by choosing 'Black and White' under the 'Paper/Quality' tab.

Next Click the 'Advanced' button.

So if you have strongly advise Fareham you will FBC (Tel:01329 Register the following will be able to vote in person at any election.

By default PDFCreator has a print quality of 600 dots per inch. This is fine for printing but much too high for the screen, so I've chosen 144 although you could probably get away with less.

Working for You

As your Fareham East Ward Councillors we are here to help you, so if you have any problems or require information on the area we **do not hesitate** to contact one of us; e.g. Is it taking too long for action from the Council? You have filled in an ACT NOW card? **We may be able** to help. For a householder in the south of this Ward who was also working with the Police and FBC officers to improve the area around Field and Eastern Parade.

Do you want a say in matters that affect you like schools, transport, taxes? You must be on the Electoral Register to vote. **You are not automatically registered, even if you pay Council Tax.** So if you have moved into the area recently, are turning 18 or just have not yet registered, we strongly advise you to register to vote with Fareham Borough Council. To register as a voter in Fareham you will need to complete a Voter Registration Form available from Election Services at FBC (Tel:01329 824587, e-mail electionservices@fareham.gov.uk) You will then be added to the Register the following month. You can apply for postal and proxy votes if you cannot be sure you will be able to vote in person at any election.

As your Fareham East Ward Councillors, we are here to help you, so if you have any problems or require information on the area please **do not hesitate** to contact one of us; e.g. Is it taking too long for action from the Council after you have filled in an ACT NOW card? **We may be able assist you.** This has been done successfully for a householder in the south of this Ward who was concerned about abandoned property. We are also working with the Police and FBC officers to solve anti-social behaviour problems in Lysses Field and Eastern Parade.

Don't Lose Your Vote !
